

ELEMENTARY SOLO AND ENSEMBLE FESTIVAL PARKING MAP

Parking at the festival is always a challenge, so please follow these instructions. The best place to park is the Main Parking Lot. Parking is also permitted in the Bus Loading Zone, however we MUST keep the fire lane free of vehicles. There is a pickup/dropoff circle where you may temporarily put your car as long as you do not leave the car. The side parking lot is reserved for our judges and must be kept clear to allow traffic to pass through to the houses adjacent the middle school. This year, we also have overflow lots available at Veterans Elementary and the Montessori School that are connected by short paths to the middle school. You may park there in legal spaces. Please do not park in the middle of 103 or other unlawful spaces as we can't stop police officers from issuing tickets for parking violations or towing cars that are obstructing traffic.
